Brand New Book ***** Print on Demand *****.China is building a modern and regionally powerful Navy with a modest but growing capability for conducting operations beyond China s near-seas region. The question of how the United States should respond to China s military modernization effort, including its naval modernization effort, is a key issue in U.S. defense planning. The question is of particular importance to the U.S. Navy, because many U.S. military programs for countering improved Chinese military forces would fall within the Navy s budget. As a part of the U.S. strategic rebalancing toward the Asia-Pacific region announced in January 2012, Department of Defense (DOD) planning is placing an increased emphasis on the Asia-Pacific region.
