Capital Books, Incorporated, US, United States, 2006. Hardback. Book Condition: New. 231 x 157 mm. Language: English . Brand New Book. Using the life and work of one of the world's most accomplished diplomats, Sweden's Jan Eliasson, this provocative book offers a unique inside view of how modern diplomacy shapes world political debate and affects the outcome of major events and international relations. Ambassador Eliasson has provided diplomatic reporter John Shaw with up close access to his work for a year - his last in Washington as ambassador. Shaw has attended policy meetings with the Ambassador, watched him give speeches, host high-level receptions, and interact with other senior diplomats. Using Eliasson as the vehicle, *The Ambassador* delves into what modern diplomats really do and offers a unique, personal, behind-the-scenes glimpse of international statesmanship. Eliasson is of special interest because he was recently selected to be the president of United Nations General Assembly beginning in September, 2005. He will be in the news over the next several years. **REVIEWS** Through John Shaw's eyes we are permitted a rare look at the many aspects of the life of a successful diplomat. It makes for wonderful reading, and sheds light upon a life that has given much to the world, and that has much more to give. Justice Sandra Day O'Connor (Ret), From the Foreword to *The Ambassador*, 2006/05/01 Jan Eliasson is a diplomatic superstar. In an era of dramatic changes in international relations, Eliasson has shown the way to a new definition of the role of diplomat. Richard H. Solomon, former US Ambassador to the Philippines, President of the US Institute of Peace, 2006/05/01 John Shaw's compelling account of one of the world's most remarkable super-diplomats is important for all students of international relations. Richard G. Lugar, Chairman, US...
