

American Isis: The Life and Art of Sylvia Plath

Filesize: 3.81 MB

Reviews

I just started off reading this article ebook. It is actually written in basic words and not confusing. I am just very happy to let you know that this is the best ebook I actually have read through inside my individual daily life and can be the finest ebook for possibly.

(Dayne Johns)

AMERICAN ISIS: THE LIFE AND ART OF SYLVIA PLATH

Picador USA, United States, 2014. Paperback. Book Condition: New. Reprint. 208 x 140 mm. Language: English . Brand New Book. The life and work of Sylvia Plath has taken on the proportions of legend. Educated at Smith College, she had a conflicted relationship with her mother, Aurelia. She then married the poet Ted Hughes and plunged into the Sturm und Drang of literary celebrity. Her poems were fought over, rejected, accepted and ultimately embraced by readers everywhere. At age thirty she committed suicide by putting her head in an oven while her children slept on the floor above in rooms she had sealed off from the poisonous gas. Ariel, a collection of poems she wrote at white-hot speed during her final months, became a modern classic. Her novel, *The Bell Jar*, has become a part of the literary canon, appearing on student reading lists worldwide. On the fiftieth anniversary of her death, Carl Rollyson gives us a new biography of Plath that shows her as a powerful figure who embraced both high and low culture to become the Marilyn Monroe of modern literature, a writer who wanted nothing less than to become central to the mythology of modern consciousness. *American Isis* is the first biography of Sylvia Plath to use materials newly deposited in the Ted Hughes archive at the British Library including forty-one letters between Plath and Hughes to create a fresh and startling look at this American icon.
