

The Antioxidant Miracle: Your Complete Plan for Total Health and Healing

Filesize: 4 MB

Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

THE ANTIOXIDANT MIRACLE: YOUR COMPLETE PLAN FOR TOTAL HEALTH AND HEALING

Turner Publishing Company, United States, 2000. Paperback. Book Condition: New. 224 x 154 mm. Language: English . Brand New Book ***** Print on Demand *****.Imagine there was an easy way you could keep your heart strong, your mind sharp, and your body youthful. Imagine this program could keep you young, improve your sex life, prevent cancer and heart disease, and keep your skin supple and wrinkle-free. And perhaps best of all, imagine this was something readily available at your local drugstore or natural food store. These and other benefits are the miraculous results of antioxidants. Lester Packer is the world's foremost authority on these natural healers. In *The Antioxidant Miracle*, he explains for the first time exactly how you can design a practical, personalized antioxidant program for disease prevention and optimal wellness. *The Antioxidant Miracle* is the first popular book to reveal the full range of healing benefits of lipoic acid, the most versatile and powerful antioxidant and nature's secret weapon in treating heart disease, cancer, diabetes, and liver disease. This breakthrough book also unveils the astonishing strength of the antioxidant network, the combination of vitamin E, vitamin C, lipoic acid, Co Q10, and glutathione that-when taken together in the proper amounts-battles disease and aging far more aggressively than supplements taken individually. After an accessible explanation of the science behind antioxidants, Packer and bestselling health writer Carol Colman show you how to develop your own state-of-the-art supplement regimen designed to keep your body strong, your brain at full speed, and your antioxidant network working at its peak. They include specialized supplement programs for smokers, diabetics, people with a family history of cancer or heart disease, menopausal women, athletes, and picky eaters. You'll find out how to incorporate antioxidant-rich foods easily into your diet and develop your own...
