Excerpt: Shortly after adopting Cooper my mother visited. Before running to the store, she d pulled 24 meatballs out of the freezer and placed them in a dish by the stove. We returned to find the dish where we left it, but no meatballs (surprise!). Several months later she visited again - this time putting a baked ham in the same dish the meatballs had been stolen from. Having to again leave the house, I wisely hid the ham in the laundry room. Nevertheless, we came home to find it, along with the glass dish, in the family room! How did Cooper get the dish off the dryer without breaking the glass? Where was all the grease? Only Cooper knew for sure and he wasn t telling. But my wild, young Lab was training me. Next time I ll remember to close the laundry room door. - Mary Campisi.
