ELTON JOHN LARGE PRINT SONG TITLE SERIES

Joan Maguire, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Legally I cannot use Lyrics or Music because of Copyright but I can use song titles so in the creation of this book I have used 1776 song titles (Italicized) to make this futuristic story possible. Also due to the nature of my books; legally I must place a Reference (exactly as it is down loaded) and Bibliography after the story. Earth is over populated so people are living on the moon and other surrounding planets but on one planet, a new type of criminal has started to try and manipulate the Universe by using a green mist that looks just like strange rain and his first target is women. Two agents Little Jeannie and Tiny Dancer are helped to safety at the same time by a man with blue eyes; but how can he be in different parts of the Universe at the same time? Find out how the women are affected and how does the agency solve the green mist mystery and capture the criminals TESTIMONIALS Joan Maguire Books are very nice, I enjoy reading them so much, they are hard to put down!!
