Teaching English in the Expanding Circle

By Julia Ramirez Perez

GRIN Verlag Jul 2008, 2008. Taschenbuch. Book Condition: Neu. 209x149x23 mm. This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2006 in the subject English Language and Literature Studies - Linguistics, grade: 2,0, University of Tübingen, 10 entries in the bibliography, language: English, abstract: The wide-spread usage of English throughout the world raises the questions of what role it plays on an international level, whether a standard should be established, and how it should be taught in school. This text concentrates on the presence and teaching of English in France, based on data collected in interviews in Mulhouse on January 6th, 2006. The interviews with two French teachers of English, together with literature on the French attitude towards that language, try to provide an insight into the role of English in a country which does not have English as a native or official language. In order to do this, background information on the teachers as well as the present teaching situation in France will be given. Finally, it has to be investigated whether an existing model of the usage and importance of English can be applied to the situation of English in...
