Meadowbrook Press, United States, 2014. Hardback. Book Condition: New. Bill Bolton (illustrator). 279 x 216 mm. Language: English . Brand New Book. This Story is Told in Pictures so children 3 to 6 can read the pictures and enjoy the story. Waking up early one morning, Early Birdy watches Mother Birdy catch a worm. Inspired, Early Birdy wants to catch one too. But catching a worm isn't as easy as it looks. Join Early Birdy on an exciting and funny adventure set in a beautiful springtime forest environment created by illustrator Bill Bolton. Don't be surprised to find yourself smiling from ear to ear . Don't for one minute think you're going to read (aka narrate) this story to your child because you're the adult and your child is, well, the child. Your child can read the pictures as well as you can. A fact that changes how this story will be read: this is a story you and your child can read together. You might start the collaboration by asking a question: You: What do you see in this picture? Child: A little baby birdy is waking up You: And in the next picture? Child: A big bird is catching a worm. You: Meanwhile back in the nest? Child: The little birdy is watching. Child: He wants to catch a worm, too. He flies down. Child: He sees a worm. Child: He bites it. Child: And then uh oh! That's not a worm! See what just happened? you and your child were reading the book together, until your child got much too excited to wait for you to ask a question. Suddenly your preschooler is telling the story as fast as she can turn the pages. And you're thinking, Wait a minute!...
