Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe. (Derick Brekke)

MAN CALLED NOON

Bantam Doubleday Dell Publishing Group Inc, United States, 2002. Paperback. Book Condition: New. New edition. 170 x 104 mm. Language: English . Brand New Book. In one swift moment, a fall wiped away his memory. All he knew for certain was that someone wanted him dead and that he had better learn why. But everywhere he turned there seemed to be more questions or people too willing to hide the truth behind a smoke screen of lies. He had only the name he had been told was his own, his mysterious skill with a gun, and a link to a half million dollars worth of buried gold as evidence of his past life. Was the treasure his? Was he a thief? A killer? He didn't have the answers, but he needed them soon. Because what he still didn't know about himself, others did and if he didn't unlock the secret of his past, he wasn't going to have much of a future.
