By Associated Tile Manufacturers

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Home Suggestions And a most appealing point about tiled surfaces is the distinct originality and individuality of each effect. There is nothing ready-made about tiled floors and walls, because in each case the tile units are selected and applied to suit the space; your preference can have the greatest sway. Wallpapers, fabrics, rugs, linoleum, all come in manufactured patterns, and the same pattern is used in many homes. But in tiles, there are no limitations and fixed patterns of this sort, because tiles are units and can be assembled in an endless variety of ways. Colors and textures can be chosen and combined into designs suitable to the function of the room and sizes and shapes used in keeping with the architectural scale. The various kinds of unglazed, glazed, inlaid, embossed, bright, dull, and matt finished tiles, which are made in squares, oblongs, hexagons, octagons, triangles and circles, and in an unlimited color range, are an inexhaustible source for original designs and effects. This makes it possible to impress individuality and distinctiveness upon any home....
