Brand New Book ***** Print on Demand *****.An individual s mind, body, and soul can suffer many scars throughout their journey. At times, these wounds occur because we don t have divine truth to battle back the devil s lies. Author Lucien Pilon has suffered from schizophrenia and experienced auditory hallucinations. As such, he came to rely on the Holy Spirit to destroy the lies he heard time and time again. An individual s testimony can bring light to another s darkness: knowledge is power! It is written that God s creations perish because they don t have the wisdom and understanding to aid them on their journey to the everlasting. Pilon fought back the darkness with God s Word, the Holy Spirit, and his love for life as he gradually climbed the spiritual mountains God laid before him. Along the way, God showed him his worth even in sickness. He decided to share his journey so that those who read it can humbly grow to become God s glory, carrying the keys to Heaven and helping to heal and free others from the captivity of sin, empowered by God s wisdom, light, and love through the Lord Jesus Christ. Only the fool says, There is no God. About the Author: Lucien R.J. Pilon is an artist who recently received his Bachelor of Fine Arts. The youngest of five boys, he was born and raised in Southwestern Ontario. This book shares his personal journey with schizophrenia and is a testimony of God s faithfulness.
