Brand New Book ***** Print on Demand *****.Leadership has many challenges today that can affect its impact upon a dying world without Christ and hope. Leadership failures have stained the pages of the history of our Church family. Despair has evolved. To change this negative picture, we need to bring forth emerging leaders who will develop and leave a positive legacy that will impact on the progress of the church. This book shows how we as faithful and genuine leaders can determine the positive raising up of great and integrous leaders for the longevity of the strong influence of the church on the leadership front of the world. We have included the good, the bad and the ugly, so that emerging leaders will have an objective view of what to emulate and what to avoid.
