Msi Press, United States, 2015. Paperback. Book Condition: New. 224 x 145 mm. Language: English . Brand New Book ***** Print on Demand *****.In speaking about Healing from Incest, Susan J. Lewis, Ph.D., J.D., writes: Brave, profound, touching, healing. This well-written, honest book takes the reader inside the complexities of the therapeutic healing process from the patient and therapist s unique perspective. It is the story of hard work, hope, commitment and recovery! Healing from Incest tells the journey of a victim-turned-survivor, working with her therapist to find healing. Readers are pulled into the therapeutic process as Henderson relates her conversations and feelings as a victim of child abuse and Emerton interprets those feelings and describes interventions. For those who recognize this as their own story, this frank and genuine narrative will be reassuring in its descriptions of one woman s journey toward hope and healing. About the front cover: kintsukuroi(n.)
