Auras emit energy and light with different color visible to the naked eye by some people. This person, that sees human aura, could tell a person if the body is healthy, ill, or feeling negative. They can identify it by the color of the aura you emit. Those people say, an aura is like a glowing light around a person, and mostly consisting of one or sometimes several colors. An aura is an energy system found in every living organism on earth that reflects the electromagnetic energy that propels the universe, which governed by its laws. Many years of research have shown with considerable certainty the relationship between aura and electromagnetic energy. However, some say that, the light of an aura where generated by spinning currents of energy, which is called by many names in different religious traditions, but is more popularly called chakra . Chakra, by definition is, cone-shaped spinning energy vortexes with different color. The word chakra comes from the Sanskrit word meaning wheel or disc. Our body is composed of more than 120 chakra energy points, which influence the physical, mental and emotional status of a person. Chakra points are connected to each other by the meridian system, a channel network which life-energy flows. WHO is this Book for? Religious, statist people who explores inner peace. Artist who loves natures and looking to bind their physical self with their inner self. Psychic and spiritual individual looking to study alternative healing, inner peace and spiritual...
