Brand New Book ***** Print on Demand *****.China: Revolution and Counterrevolution features analysis of the Chinese Revolution, the present Chinese economy, the trend towards capitalist restoration and how socialists inside the United States can lend their support to the people of China. This book captures the drama and excitement of China s success, the dangers inherent in market socialism, and the contradictions of building a new society in the world s biggest developing country. - David Ewing, U.S.-China Peoples Friendship Association, San Francisco Table of Contents I.
