When she has the highest bid on a sheriff's auction foreclosure and becomes the new occupant of the house across the street from him, his abilities get put to the test. Hayden's job as the office lackey is less than gratifying. While filling in for the junior vice president on a property acquisition she gets outbid, and then finds herself the not so proud owner of fixer upper with a questionable past. Suddenly out of work, out of money, and down to her last candy bar, she must flip her first home in time to pay off a risky loan before interest starts accruing at a staggering rate. She's determined to do this on her own. He's determined to help. As renovation turns into romance, things get fixed, things get broken, while hearts, heads and homes get flipped.
